RE: SAT Testing

Dear Parents/Guardians:

We are excited to be participating in *SAT School Day*, which allows us to administer the SAT to juniors and seniors at school and on a school day! Traditional testing occurs on a weekend and sometimes at a remote testing site.

Most competitive colleges value standardized tests more than ever. Nearly all four-year colleges require you to submit admission test scores — you cannot apply without them. Although some four-year colleges and open admission colleges, including community colleges, do not require scores for admission, they do use students' scores for placement and scholarships. It is mandatory that our students take the test.

Benefits of SAT School Day for Students (sat.org)

- **Convenience.** Students do not have to worry about locating or getting to the testing site. School day testing will not disrupt weekend plans, jobs, or family time.
- **Comfort.** Students test in familiar surroundings with people they know.

Fees: Schools participating in *SAT School Day* are subject to the following fees:

Test	Test Fee	Test Date	Registration Deadline
SAT	\$47.50 per student	March 27	February 1
SAT with Essay	\$64.50 per student	March 27	February 1

Please submit payment in the form of check/cash to the SVA office. Checks are made payable to Sandia View Academy. The school will assist students in getting registered for the test.

Thank you for your prompt attention to this item. We are here for your child's success!

Sincerely,

Chanda Castañeda, M.A. Ed

Principal
